 3. If Player A wins, but Player B makes it to the hill, the split is 2-1.
- Sudden Death is implemented 2 hours and 30 minutes into a Ladies match. The rack must be struck in the third individual match by the 2-hours-and-30-minutes mark, or all subsequent individual matches will begin with a rack worth two team points. If that two-point rack mathematically wins the team match, the team match will be over; if it does not win the team match, a second rack worth one team point will conclude that individual match. This procedure will continue in each subsequent individual match until a team mathematically wins or the overall match finishes in a tie: one two-point rack, followed by a one-point rack if necessary. Tie breakers will be decided by the team that won the most individual matches.
NOTE: During Ladies Sudden Death, the individual match winner will be the player who wins the two-point rack.
- Maximum field is 256 entries. (Size of board and prize money breakdown will be based on number of entries.)

- Players must have played at least four (4) times in the Spring Session in the League area the team represents. Matches must be in the standard 8-Ball format or on a Ladies Division team.
- One common player is allowed for those teams who qualified from Division play.
